

# Le Mistral

## 2021 Syrah

77% Grenache, 23% Syrah

Minimal new French oak, allowing the peppery, juicy grape profile to shine through. Offers a savory, briny edge that intrigues in its youth and will gracefully age over the next 5-25 years. Hand-harvested, co-fermented with Viognier in open-top bins, and aged 16 months in 25% one-year-old French oak. Bottled in winter 2022.

*Sustainably Produced in Carmel, California*
