

THE DIVER - BRUT

a DAYS OF YOUTH wine...with bubbles

ABOUT DAYS OF YOUTH

DAYS OF YOUTH is inspired by the magical spirit of imagination and the endless possibilities the world offers when you are a kid. We believe that wine brings these same possibilities as well as a youthful sense of joy and freedom to life. We bring that same freedom to winemaking by sourcing grapes based on quality and character, not appellation. We believe anything should be possible in the world of wine. The only categories we want to be in are Delicious and Fun.

THE DIVER BRUT- SPARKLING WHITE WINE

The Diver is our California sparkling wine series. Our Brut is a blend of Chardonnay, Sauvignon Blanc, and Gewurztraminer. The Chardonnay presents lemon custard, grapefruit, apple and citrus flavors and a soft, creamy foundation. The Sauvignon Blanc adds a bright acidity that gives a lively note with a hint of peach/apricot. The Gewurztraminer adds a beautiful floral character of jasmine, especially in the nose, and a hint of chalky mineral on the palate. Made in the Charmat method, the wine has about 2 bars of pressure creating a soft, Prosecco-like texture, which makes it easier and more enjoyable to drink. I love this wine with salty and spicy flavors. Shellfish, salads, Thai cuisine, and just enjoying by itself.
