

Le Mistral

2018 Rosé of Grenache Blanc

The name, Le Mistral, comes from the name for the winds of the Rhône Valley in France, where blustery afternoons cool vineyards quickly and produce similar flavors in their native varieties like Syrah and Grenache. We are proud to farm the Le Mistral Vineyard in a sustainable way. This combines the best management practices from other farming systems, like organic and biodynamic, to positively impact the bottom line, environment, and society.

This sumptuous Rosé of Grenache Blanc is richly aromatic with layers of floral characters like a bouquet of California wildflowers in springtime. Notes of kiwi, strawberry, stonefruit, and ripe honeydew melon bolster the floral aroma. The palate is soft and elegant, punctuated by a warm spiciness and lively acidity that makes each sip memorable.
