2024

Whole Cluster Pinot Noir

COMPOSITION 100% Pinot Noir

APPELLATION Monterey County

ALCOHOL 13.4% by Volume

TASTING NOTES

This Pinot Noir is a vibrant, expressive wine that captures the essence of its cool-climate origins and whole cluster fermentation.

The nose opens with lively red fruit, black cherry cola, and dried flower aromas, layered with a subtle stemmy complexity that adds depth and intrigue. On the palate, the wine is rich and medium-bodied, with supple tannins and a structure that promises graceful aging. The stem inclusion brings an extra dimension, lending both aromatic lift and textural finesse.

With time, this Pinot Noir will continue to soften and evolve, developing further nuance and elegance. Crafted for longevity, it is expected to age beautifully for decades, offering a rewarding experience now and for years to come.
