

Le Mistral

2018 Single Vineyard Syrah

The name, Le Mistral, comes from the name for the winds of the Rhône Valley in France, where blustery afternoons cool vineyards quickly and produce similar flavors in their native varietals like Syrah and Grenache. We are proud to farm the Le Mistral Vineyard in a sustainable way. This combines the best management practices from other farming systems, like organic and biodynamic, to positively impact the bottom line, environment, and society.

Tasting Notes:

Le Mistral Syrah exhibits the beautiful characters of cool-climate Syrah. Juicy, dark fruit flavors, white pepper spice, and a mineral earthiness are layered together in this intense wine. A bright acidity and a hint of dusty roses elevates the palate, adding beauty to this big, bold wine.
