

Le Mistral

2018 Viognier

The name, Le Mistral, comes from the name of the winds in the Rhône Valley in France, where blustery afternoons cool vineyards quickly and produce similar flavors in their native varieties like Syrah, Grenache, and Viognier. We are proud to farm the Le Mistral Vineyard in a sustainable way. This combines the best management practices from other farming systems, like organic and biodynamic, to positively impact the bottom line, environment, and society.

Aromatic and delicate, soft and smooth, vibrant and memorable. The bouquet is floral and complex; honeysuckle and rose petal dominate with lighter notes of lemon blossom and wildflowers.
