

2015 NAPA VALLEY CABERNET SAUVIGNON

OUR STORY

Founded in 2010, Aviary Vineyards is our expression of Napa Valley and the quality that has made wines from this region so sought after. Having worked with some of the most successful wine companies in the world, it is a dream come true to introduce our first wine from Napa Valley.

Much like an aviary, the blend of different grape varieties, terroirs, and vineyards interact and harmonize in each blend to create wines that are beautiful, enjoyable, and captivating. Each component of our wines are wonderful, but together, they combine into a truly great experience.

We hope you enjoy Aviary Vineyards and we invite you to contact us with your comments.

WINEMAKING NOTES

Harvest in 2015 started earlier than any time in recent memory, but the growing season was not shortened as we had a warm winter and spring causing an early bud break. This gave the fruit plenty of time to mature and develop wonderful, layered flavors. Another stellar vintage, this wine will be enjoyable now through 2020.

Rich notes of leather, tobacco, and vanilla fill this soft and luxurious bouquet. Light notes of cedar, red fruit, and smoke balance the body of the aroma. One sip will bring you bright and juicy flavors of dark fruits followed by alluring flavors of cedar, light smoke, and soft minerality that reminds us of a long walk through a California Redwood forest. This 2015 Cabernet Sauvignon is classic Napa Valley Cab; it's excellent in the glass now, and will age beautifully.
